HYDRAULIC BOAT TRAILERS

Efficient and safe handling is essential for all those who handle boats regularly.

Whether you are a marina, a yacht club, boat yard, boat manufacturer or dealer, for almost 40 years, Mecanorem has been offering its range of hydraulic boat trailers with the permanent focus on speed, comfort of use and security. This leaflet was designed by and for marine professionals. We are glad to introduce the new features of our range of boat trailers that will enable us to keep sailing at your side in 2012 and beyond...

- Recognized know-how since 1973
- More than 1000 trailers in use
- Fast, safe, versatile and efficient
- High resistance towards corrosion
- Ready to use with standard equipment
- Cheap and easy maintenance

EASY HANDLING

180° pivoting
controlling tower

VERSATILE

Combined use with
any cradle

STRONG

Payload up to 50 T

ADJUSTABLE

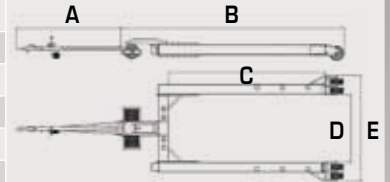

Suitable for
any boat type
